DON'T TAKE A CHANCE, but contact us before coming or sending for a load, unless your order has been previously received and acknowledged for a certain date.

All of our B&B trees are sewed, which are far superior to tying or nailing.

Plan to visit our nursery and look over our stock.

## LINING OUT STOCK

Our stock of liners have been produced with the aid of irrigation and we feel that they are very good. EXPLANATION OF GRADES: We are listing our liners in grades by the number of years they have been growing under the lath screens; for example, 1 yr. means 1 year in outside beds. 2 yr. would be 2 years outside, etc.
